

## Letter from the Pro

Dear Golfer

I am very excited about the upcoming 2009 Golf Season. I have worked hard over the off season to develop new and exciting programs for both juniors and adults. I am very happy to announce a **GOLF PARTY DIVISION!!**

Instruction has always been an important part of my PGA Career. As a PGA Golf Professional, I am an Ambassador of this great game. Thru instruction, I not only make the game more enjoyable for those that play but I also introduce the game to new golfers.

The growth of the game lies within our youths. After School Golf Programs, clinics, summer camps, and private lessons for juniors of all ages will once again be on my forefront in 2008.

A Professional Team of Instructors are available for private, groups lessons, parties, corporate and trade show events, and more!!

The 2008 Golf season continues with the advancement in technological changes in golf equipment.

The Golf Shop will offer a wide selection of merchandise to meet all of your golfing needs. A **100% competitive pricing policy** makes Oyster Bay the Pro Shop of choice. I give the highest Trade-In value possible.

The Learning Center is open 7 days a week including evenings and weekends. Start booking your golf lessons today and register now for clinics and camps. Spots are limited and are available on a first come basis.

I look forward to seeing you on the lesson tee.

Sincerely,

*Douglas L. Miller*
